Surprise, surprise! I find surprises all the time.

What's hiding in the  
watermelon?

Surprise...big black seeds!  
Surprise

If we plant them in the ground and water them,

We'll get a watermelon plant!

I will look for it.  
Where's the strawberry seed?  
Huh?

Where are the seeds hiding?  
I can't find them anywhere?!  
No, they are not.  
Maybe they're in the green leaves....  
No, they are not.  
They must be hiding inside.

Wait a minute!

Here they are! They're on the outside!

If we plant them in the ground and water them,

We'll get a lovely strawberry plant.

Hmm..where's the pineapple seed?
