Si Lando

One Saturday morning, Lando asks his mother if he can go to the lake to catch some fish. Lando's mother tells him that it is unsafe to go to the lake and asks him to stay and help her clean the house instead. But Lando sneaks out and goes to the lake anyway. He was able to catch a big fish. He hurries home but slips on the rocks and hurts himself. Lando goes home and apologizes to his mother for disobeying her. Lando's mother forgives him and, together, they cook the fish that he caught.
