“Kinsa na sila nanay?”

“Unsay ilang buhaton kanako?”

“Dili ko mosulod diha!”

“Hala, aduna silay pangtusok!”

“Sakit kana!”

“Hadlok ko niana!”

An illustration of a female doctor with dark skin and curly hair, wearing a white lab coat over a teal top. She is holding a syringe to her mouth and smiling. In the foreground, a young male patient with dark hair and a light complexion is looking up at her with a smile. The background shows a medical setting with shelves containing various bottles and a stethoscope hanging on the wall.

“Mura lang na siya og pinaakan sa holmigas,” miingon usab ang doktor.

“Dili na sakit. Gunit lang nako,” miingon ang nars.

“Ipiyong lang ang imong mga mata,” miingon si Mama Rita.

“Humana,” miingon ang doktor.  
“Bukha na ang imong mga mata,”  
miingon ni Nanay Rita.

“Ha? Humana?”

“Dili man diay sakit, mama.”

“Buotan man diay sila.”

“Daghang salamat doktor,” mapahiyumon nga miingon si Mama Rita.

“Mamauli na kami,” malipayon nga miingon si Enteng.

# Ang Kahadlok ni Enteng

Enteng is accidentally bitten by a dog and is rushed to the health center by his mom. At first, he was afraid of the doctors, the nurses and, most of all, the sharp needle of the syringe. While being treated, Enteng discovers that the doctors and nurses are friendly, and that having an injection does not hurt that much. He goes home with his mom braver than ever.
