Kindergarten!

In Kindergarten, we can be whoever we want to be—a painter, a sculptor, an architect, or an athlete among many others. We get to visit different places in school and in the community and we meet new people along the way. We learn how to read, we learn how to write. We have fun in Kindergarten!

USAID
FROM THE AMERICAN PEOPLE

This storybook was produced with the generous support of the American people through the United States Agency for International Development (USAID) under the USAID Basa Pilipinas Activity and the Department of Education.
