Wondering what to do with wordless stories?

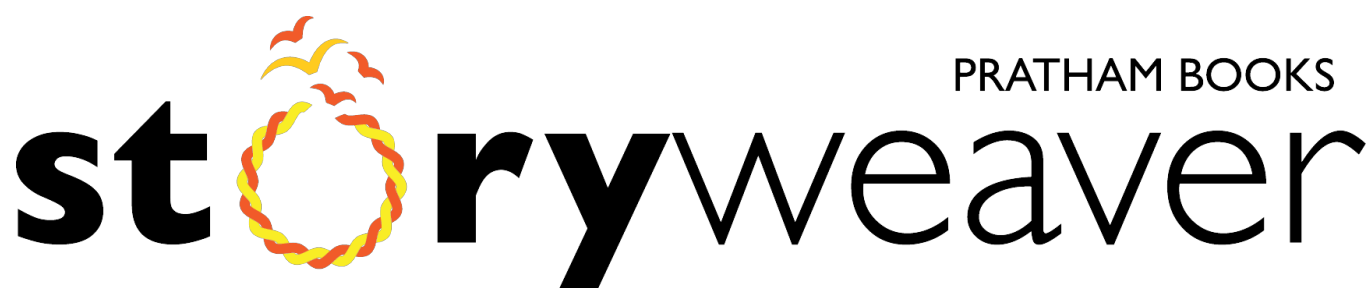

Priče bez riječi su prekrasne jer sadrže beskrajne mogućnosti. Evo nekoliko ideja za interakciju s djecom pomoću vizualnih priča:

- Istražite priču ležerno. Obratite pozornost na detalje - izraze likova, pozadinu, boje itd. Ideja je da svako dijete izgradi svoju priču. Ako se priča prikazuje grupi djece, možete zamoliti svako od njih da za svaku ilustraciju doda rečenicu ili dvije. Radujte se istražujući svaku ilustraciju i gradite priču sa svakim novim prizorom.

- Raspravite o temama iz priče.

Na primjer, u ovoj biste priči djecu mogli pitati o tome kako se čita karta, ponoviti ili naučiti različite vrste oblika ili potaknuti grupnu raspravu o 'putovanjima'.

- Potaknite djecu na kreiranje 2-3 različite priče koristeći isti niz vizuala. To će im pomoći u razvoju mašte.
