Who Can Fly without Wings? (English)

Tithi, Anu and Kushum don't need wings to fly like birds or dragonflies or butterflies. Through the power of play and imaginary wings, they soar as high as a kite or a cluster of clouds.

This is a Level 1 book for children who are eager to begin reading.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
