May Searches for the Sea (English)

May lives in a mountaintop village miles away from the sea. When her teacher tells her class about his own village by the ocean, May is breathless. She is desperate to see this mysterious sea—but how? This is a Level 3 book for children who are ready to read on their own.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
