Gemmeleg

Forfatter: Alisha Berger

Illustrator: Huynh Vu Tuong

Dansk oversættelse: Peter Leth

Rhino er meget genert.
Hun leger mest alene ved søen.
Gecko bestemmer sig for at drille hende lidt. Han spørger de andre dyr
om de vil være med.

"Rhino!" kalder Gecko. "Har du lyst til at lege gemmeleg med os? Vi kan bestemme hvem der skal være finder med en omgang sten-papir-saks."

De andre dyr ved at Rhino kun kan lave papir med hendes store fod. Så de laver alle saks med vilje.
Rhino skal være finder.

De andre dyr begynder at kigge efter steder, hvor de kan gemme sig.
De spørger hinanden, "hvor skal vi mon gemme os, så Rhino ikke kan
finde os?"

Rhino begynder at tælle. "Fem... Ti... Femten..."

Da hun har talt til hundrede åbner hun sine øjne. "Hvor er de alle sammen?" tænker hun. "Hvordan skal jeg mon finde dem?"

Abe er klatret op i toppen af et træ. Rhino er henrykt. "Abe, du har en lang hale!" kalder hun. "Jeg kan tydeligt se den!"

Egernet har gemt sig inde i træets stamme. Rhino smiler. "Egern, jeg kan se din buskede hale!"

Kanin gemmer sig usikkert inde i en hule. Udenfor har Pindsvin dækket sig til med blomster. Rhino finder dem med det samme.

“Pindsvin og Kanin! Hvordan kan det være at I prøvede at gemme jer på så oplagte steder?” klukker Rhino.

Snegl sniger sig langsomt ind under et blad.

Papegøje gemmer sig selvsikkert på en gren. Men dens fjer er så smukke og farverige, at det er nemt at finde den.
Rhino har nu fundet halvdelen af dyrene!

Fjollede Hjort gemmer sig i træet uden blade. Kæmpe Bjørn prøver at gemme sig bag stenene.

Rhino griner højt. "Jeg kan se hvor I gemmer jer!"

Skildpadde gemmer sig i hendes skjold, og prøver at lade som om hun er en sten. Frø gemmer sig i nogle buske overfor hende. Men Rhino ser dem begge.

Til sidst er det kun Gecko der mangler at blive fundet.
Rhine kan ikke finde ham nogle steder.
De andre dyr siger, "nu skal du se rigtig godt efter!"

Snart har Rhino kigget efter Gecko alle steder.
Hun er helt udmattet!

Rhino sætter sig og prøver ikke at græde. De andre dyr begynder at have ondt af hende.

“Vil du have hjælp?” spørger de.

“Nej, jeg har ikke brug for hjælp. Gecko er god til at gemme sig, men jeg skal nok finde ham!”

Til sidst bukker Rhino sig ned og kigger i søen. Pludselig råber hun,
"Gecko! Jeg har fundet dig!"
Gecko griner. "Jeg gemte mig på toppen af dit horn! Genialt ikke?"

Rhino griner. Hun er ikke længere genert. "Nu er det min tur til at gemme mig, og alle I andre skal finde mig.
Og jeg ved allerede, hvor jeg vil gemme mig!"
