This is Cat.

This is Dog.

It is night. It is dark. It is cold. It is very cold.

For Dog, it is too cold.

Cat gives Dog underwear. One pair of underwear is dirty. One pair of underwear is clean.

Dog takes the clean underwear, but it is still too cold.

Cat gives Dog shirts. One shirt is big. One shirt is small.

Dog takes the big shirt, but it is still too cold.

Cat gives Dog pants. One pair of pants is long. One pair of pants is short.

Dog takes the long pair of pants, but it is still too cold.

Cat gives Dog vests. One vest is wet. One vest is dry. Dog takes the dry vest, but it is still too cold.

Cat gives Dog jackets. One jacket is thick. One jacket is thin. Dog takes the thick jacket, but it is still too cold.

Cat gives Dog hats. One hat is high. One hat is low. Dog takes the high hat, but it is still too cold.

Cat gives Dog shoes. One pair of shoes is new. One pair of shoes is old.

Dog takes the new shoes and then... It is not too cold for Dog.

The night is over. The moon goes. The sun comes.

It is day. It is light. It is warm. It is very warm. For Dog, it is too warm.

Bye-bye, Cat. Bye-bye, hot Dog.
